**Subject:** FRAP on Recycled Tire Crumb Rubber Webinar

Hi – I have been able to access the slides from this webinar ([https://www.epa.gov/sites/production/files/2019-08/documents/tc\\_public\\_webinar\\_-\\_august\\_6\\_2019.pdf](https://www.epa.gov/sites/production/files/2019-08/documents/tc_public_webinar_-_august_6_2019.pdf))

I am wondering if the webinar was recorded and if I could get access to the recording? Thank you!
